

Lake Keesus Management District

2018 Proposed Herbicide Treatment

Withdrawal From Treatment Participation Form

Name : _____

Lake Address : _____

Phone Numbers: _____

Email : _____

With my signature, I hereby request that the Lake Keesus Management District withdraw treatment of the shoreline waters immediately adjacent to my frontage at the address listed above.

Signature: _____ Date: _____

Please return a copy of this form to the DNR, the LKMD and Marine Biochemists:

☐ Wisconsin DNR, 141 NW Barstow St, Waukesha, WI 53188, attention Heidi Bunk

☐ LKMD, Box 609, Merton, WI 53056, attention Dan Willems

☐ Marine Biochemists, N173 W21440 Northwest Passage, Jackson, WI 53037, attention Brian Suffern

If you chose to withdraw your property from treatment, you must post orange marker flags at the boundaries of your property on the lake shore and orange marking tape on your pier so that your property can be easily identified from the lake on the day of treatment. These orange plastic flags and plastic marking tape can be purchased at Fleet Farm and other hardware stores. Have your orange flags and tape markers posted on your property by May 1, 2018.

Questions regarding this treatment may be forwarded to District Representatives or Marine Biochemists at (262) 674-1781 or brian.suffern@lonza.com.
